

Map 44

Smith's Village, Enfield, Massachusetts 107 Ft. Under Quabbin.

(Author Last Home 1938)

Map number 44 illustrates Smith Village located in Enfield, Massachusetts. This map shows the 47 homes and the names of the residence that settled this land between 1930 and 1938. This map also shows roads, railroad, rivers, businesses, and public structures. In the bottom left corner you will find a key that tells you the statistics of Smith Village. One large business was Smith Mills located near Swift River. In 1938 the town was flooded beneath 107 feet of water. Today we know this as the Quabbin Reservoir.
