

Map 47

Stebbin's Survey – First Parish of Brookfield – Including West and East Brookfield.

Map 47 demonstrates Heman Stebbin's survey, which took place between 1829 and 1830. This map mainly shows the location of roads, businesses/schools, water bodies, and names of surrounding towns. Under the title of this map you will find a General Information box. This box advertises the quantity of land that made up the illustrated towns of this map.
