The physical map has a small light bulb at the location of Brookfield, MA. On the online map, that bulb is replaced by a white dot.

On the back of the physical map, there is written this credit:

"PALEOGEOGRAPHIC MAPS OF NEW ENGLAND

Published by

THE AMERICAN ASSOCIATION OF PETROLEUM GEOLOGISTS, Tulsa, OK.

(Used with their permission by

Lincoln A. Dexter - 1979)"

Additionally, there are two newspaper articles included in a pocket on the back of the physical map.

Scroll down to see the articles below the map.
